Applicants further believe that claim 1 is generic, because independent claims

Therefore, as provided by 37 CFR 1.141, Applicants believe they are "entitled to consideration to additional species which are written in dependent form," namely, withdrawn claims 3 and 7-12 which depend from claim 1, and "entitled to consideration to additional species which . . . otherwise include all of the limitations of [claim 1]," namely, withdrawn claims 15 and 17-25.
